

Floor - Wall stand (light series)

063.8800-122 Floor-Wall stand (light series) incl. bracket max. VESA 200

Thanks to new techniques monitors are becoming lighter and cheaper. The solid and reliable floor supports from SmartMetals are suitable for these monitors; but to better fit the current monitor weight and price levels SmartMetals has developed a new series Light stands. Alike the monitors lightweight, inexpensive but as solid and reliable as you are used from SmartMetals.
